

10/5 WARRANTY – MECHANICAL & HYDRAULIC DOCK LEVELERS

Aaron-Bradley Co., Inc. (ABC) offers an extended warranty on Mechanical and Hydraulic Dock Levelers which covers defective parts and faulty workmanship for a period of ten (10) years on structural components and five (5) years on hydraulics (hydraulic levelers only) commencing at the time of shipment from our plant. All replacement parts will be F.O.B. our plant and will be issued upon return of defective parts or as designated by ABC. All purchased items, such as components not manufactured in our plant, will carry the warranty of the original manufacturer. This warranty shall not cover failure or defective operation in excess of the recommended capacities, misuse, negligence, accident, alteration or repair not authorized by ABC. All applicable and incurred labor and / or freight charges are the customer’s responsibility. The following criteria must be adhered to:

- Grades not to exceed 7.17%
- Travel speeds not exceed 5 M.P.H.
- Single shift operation
- Eight (8) trailers serviced per shift maximum
- Units must be maintained per ABC user’s manual
- Warranty is void if dock leveler is used in an abrasive or freezer condition

A.N.S.I. capacities are based on “Dynamic” load values. Due to variables in operations, the ABC 10 year structural warranty is based upon the following Gross Vehicle Weights (GVW):

Unit Capacity (lbs. ANSI)	GVW (lbs.)	Leveler Type
25,000	10,000	Mechanical / Hydraulic
30,000	12,000	Mechanical / Hydraulic
35,000	13,000	Mechanical / Hydraulic
40,000	15,000	Mechanical / Hydraulic
50,000	17,000	Hydraulic
60,000	20,000	Hydraulic
80,000	30,000	Hydraulic

“No other warranty exists except as stated herein.” Aaron-Bradley Co., Inc. expressly disclaims any and all implied warranties.

IMPROVEMENTS

Aaron-Bradley Co., Inc. is constantly striving to improve its products. Change in design and improvement will be made whenever the manufacturer believes the performance or operation of the equipment will be improved with no obligation to incorporate any such improvement in any equipment, which has been shipped or is in service.
