Non-Reinforced

***Our Low-temp material is the most flexible in the Industry ...
Providing more application opportunities!***

Other Materials / Products: Screenflex™ Welding Shields, Opaque Black, Safety Orange (used for end strips), Anti Static, Anti Insect Yellow, *Quickstrip* Replacement Strips, Bulk Material Rolls

GENERAL APPLICATIONS

Personnel: For use in warehouse offices, restaurants and small openings in walk-in-coolers and non-windy doorways.

Personnel / Light Carts: For use in walk-through coolers, freezers and doorways with light cart traffic.

Light Industrial: For interior use with cart, pallet jack and light forklift traffic, small exterior doorways with some air movement and cold storage coolers / freezers.

Industrial: Heavy forklift traffic at docks, in doorways and cold storage coolers / freezers. For use in exterior doorways and dock enclosures. Provides good sound attenuation.

Heavy Industrial: Heavy duty forklift or vehicle traffic at large dock, door or crane-way openings. Reduces sand, dust, chip and wind penetration.

Refrigerated Truck - Strip Door Kits:

Door Openings: 6' to 8' 6" wide x 6' to 8' high

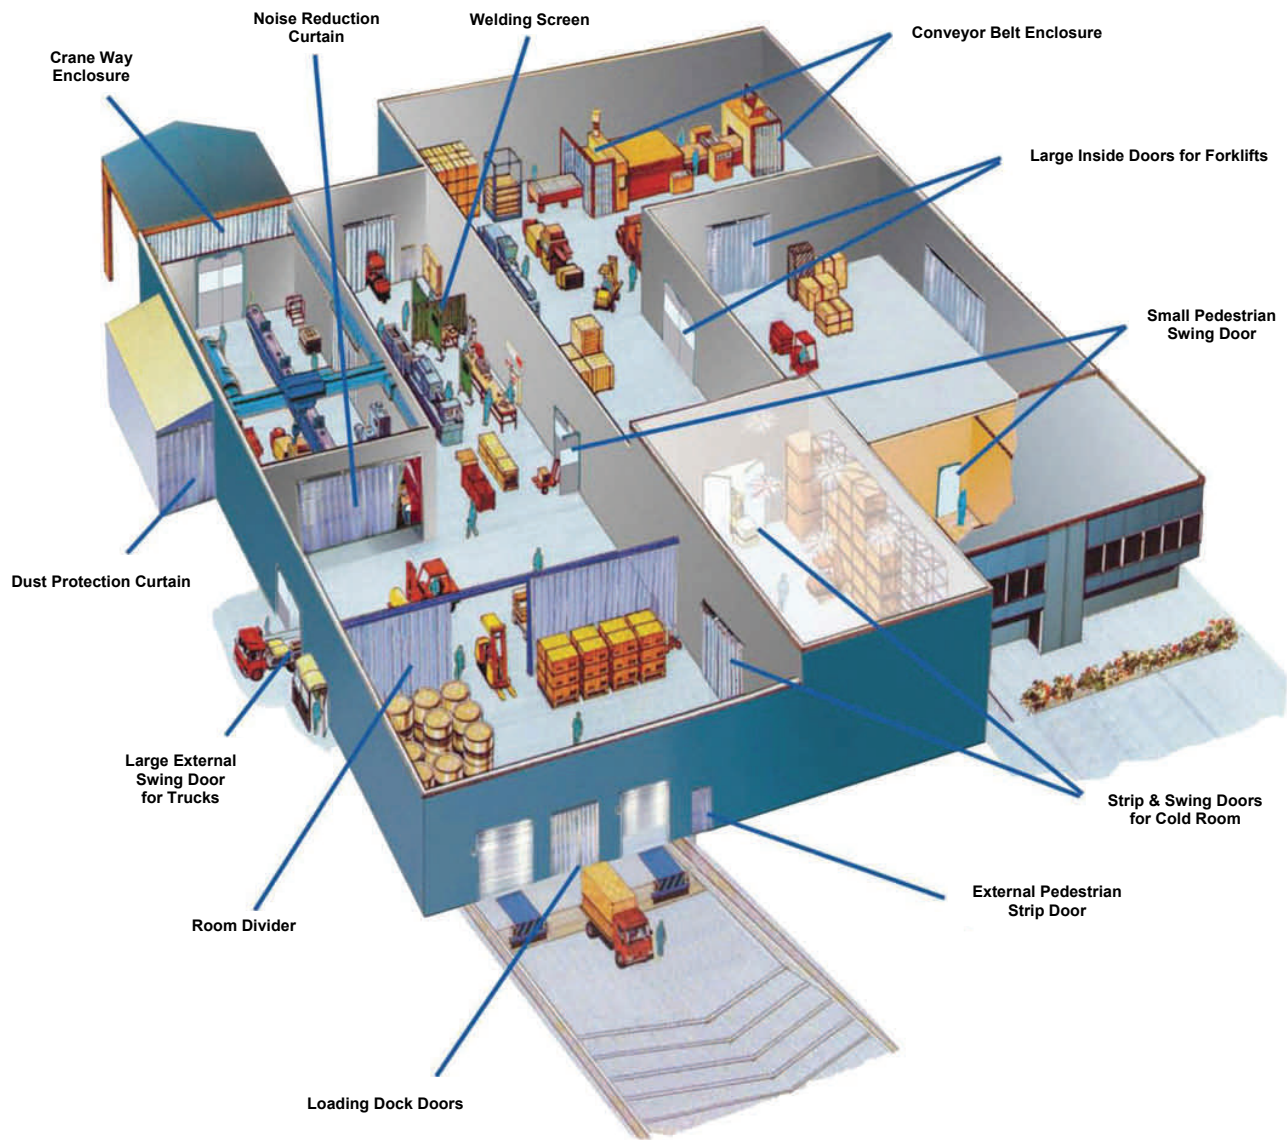

Materials: Clear, Flat, Ribbed, Low Temp Ribbed, Low Temp Reinforced & Non-Reinforced

8" Strips: Designed for 50% and 100% Overlap

12" Strips: Designed for 33% and 67% Overlap
