Aaron-Bradley Co., Inc.®

“MVR” Series Mechanical Truck Restraint

Additional Features:

- **Stronger Steel Means Longer Life:** Our high strength, solid steel, low profile housing withstands weathering and truck impact.
- **Easy Installation:** Mounts directly to dock face of new or existing dock using 8 anchor bolts and 2 ground anchors. Optional factory provided blockout for greater bumper projections also available.
- **Fast, Simple Operation:** Unique activation bar allows easy operation from the top of the dock. Eliminates need for dock personnel to leave the dock area.
